## Active Construction Will Impact Old Rail Trail This Week

As construction on the Old Rail Trail nears completion and the contractor is finishing slurry sealing the paved portions of the path, there will be two days this week when a segment of the trail will be completely closed to public access and a detour will be in place. During the days listed below, a detour will be provided, and the public is encouraged to follow the detour or make other travel arrangements.

**Thursday, October 8 and Friday, October 9, 2020** - Old Rail Trail will be closed to public access between Mar West Street and San Rafael Avenue between 9:00AM - 5:00PM.
