Parks, Open Space and Trails Commission Special Meeting: Concept Design Alternatives for a Beach Restoration Project at Greenwood Beach System (Blackie's Pasture)

A Special Parks, Open Space and Trails (POST) Commission meeting will be held on on **Tuesday, December 15, 2020 at 5PM.**

At the meeting, Roger Leventhal, P.E., Senior Engineer, Marin County Public Works, will provide current preliminary design updates for the Blackie's Pasture Beach System Restoration and receive comments from the public and possible recommendation(s) from the POST Commission.

The County and the Town are soliciting input from interested residents and users regarding the proposed project to restore the beach, mitigate future erosion, and reduce impacts of sea level rise.

For more information about the project, contact Roger Leventhal, P.E., Marin County Department of Public Works, rleventhal@marincounty.org.

Sand and Sandbags Now Available

With winter weather upon us, the Town would like to remind residents that sand and sandbags are available at two sandbag filling stations. Sandbag filling stations have been set up at Blackie's Pasture gravel parking lot and at the Tether Park parking lot near the tennis courts off of Beach Road.

Residents can also purchase sandbags at many local retailers including Goodman Lumber in Mill Valley, Shamrock Materials in San Rafael, and Water Components in San Rafael.

Tiburon Town Hall Holiday Closure

Tiburon Town Hall will be closed for the holidays beginning Thursday, December 24 through Sunday, January 3, 2021. Regular hours will resume on Monday, January 4, 2021. Happy Holidays!
