## COVID-19 Update

**Latest Update from Dr. Willis.** Every week, Public Health Officer Dr. Matt Willis updates the Board of Supervisors on Marin County's response to COVID-19. This week, Dr. Willis shared an informative update about the status of the Omicron variant in Marin County, presenting a scenario regarding the risk of infection within our community and steps being taken to keep critical sectors functioning during this time of high case rates. [Watch the video](#) on YouTube or below.

**Facial Coverings in Marin County.** Beginning December 30, Marin County aligned with the [California Department of Public Health's order](#) requiring all people, regardless of vaccination status, to wear a facial covering in all indoor public spaces and workplaces. Masks are not required when outdoors, but strongly encouraged in crowded environments. [Read more.](#)

**Isolation & Testing.** Are you experiencing COVID-19 symptoms or believe you may have been exposed to COVID-19? The CDC recently updated its COVID-19 isolation and quarantine guidelines, so [start here](#). Looking for a test? Visit [Marin County's Public Health's Testing Portal](#) with all the information you need about when and where to test.

**Sign Up for Updates.** [Subscribe to daily updates](#) from Marin County Public Health to stay informed with the latest case/hospitalization rates, changes in public health orders, and

## Last Chance! Broadband Strategic Plan Survey Closes 1/21

Thank you to the nearly 300 Tiburon residents that have already participated in the Tiburon Broadband Strategic Plan Community Survey! Your input is greatly appreciated and will help us develop a Broadband Strategic Plan that is beneficial for all and effective in bringing more digital equity to Tiburon.

The survey will close on Friday 1/21, so if you haven't already, please participate! We want to hear from all sectors of the community about your unique wants and needs for better internet service. [Take the survey.](#)

Respondents will be asked to answer questions about current internet access, connectivity, perception about broadband, and costs. The survey also tests your current modem speed, so we are asking respondents to take the survey from a wired device, if possible. One survey per household, please. We thank you for your participation.
