Save the Date: January Community Workshops

Community Diversity Inclusion Event Vision Meeting

The Diversity Inclusion Task Force Events Vision meeting will be held on **Monday, January 24 at 5:00 PM on Zoom.**

Diversity and Inclusion is the glue that knits individuals into a community. Contribute to community by bringing your ideas to acknowledge and celebrate diversity to the vision event organized by the Diversity Inclusion Events ad hoc subcommittee of the Diversity Inclusion Task Force on Monday, January 24, 2022 at 5:00 PM.

Some early community feedback includes ideas to celebrate the diverse art, cultural events, holidays, handicrafts and traditions of all members of our community. Other ideas include organizing forums of movie and speaker events or relevant webpages. What visions do you have for these community events?

Email or call Town Clerk Lea Stefani at lstefani@townoftiburon.org or (415)435-7377 to register. Advance registration is requested. Registrants will be emailed a Zoom link the week prior to the meeting. If you can't attend the meeting, please feel free to email your ideas to lstefani@townoftiburon.org.

General Plan: Tiburon2040 Sustainability Element Workshop

Join us for a virtual community workshop on **Tuesday, January 25 from 6:00 - 7:30 PM** to explore how Tiburon can become a more sustainable community. The input we receive from this workshop will help inform the Sustainability Element for the General Plan update.

We will also be reviewing the draft [Climate Action Plan](#), which charts a course for the community to reduce greenhouse gas emissions at least 40% below 1990 levels by 2030, similar to the statewide goal. We will

be gathering feedback on proposed programs in the draft Climate Action Plan and asking for additional ideas.

Respondents will be asked to answer questions about current internet access, connectivity, perception about broadband, and costs. The survey also tests your current modem speed, so we are asking respondents to take the survey from a wired device, if possible. One survey per household, please.
