## Construction Alert - Road Work on Tiburon Boulevard This Week

Starting Thursday, April 13, contractors working for PG&E as part of the Hawthorne Utility Underground Project will mobilize to install and connect new electric conductors and equipment at locations along Tiburon Boulevard between Rock Hill Road and McCart Court. Hours of work on Tiburon Boulevard will be between approximately 8:30am and 3:00pm.

During this work, a detour will be in effect on Tiburon Boulevard between Avenida Miraflores and Rock Hill Road routing traffic through the adjacent neighborhoods to in an attempt to minimize backups. Emergency vehicles, public transit, and traffic local to the area (Palmer Court, McCart Court, Bayshore Terrace, Belvedere Tennis Club) will be able to access the area normally.

Although contractors and town staff will make every attempt possible to have the work completed in the most expeditious manner possible motorists should plan to expect backups and longer than normal travel times through the area.

The Department of Public Works appreciates everyone's patience and understanding as this critical infrastructure project progresses through the next phase of construction.

## Spring into Preparedness!

An earthquake can strike at anytime. Where will you be? If you are not at home, how will you get home? What if roads are impassable due to damages and traffic collisions? If you are at home, do you know that your home is safe to be in? Do you know how to evaluate it? Do you know how to check the utilities and shut them off if you need to? Where are your loved ones? If there is no local phone service, how will you communicate with them? Are you prepared to shelter in place in your home for the next five to seven days? Do you have an emergency kit with enough water, food, and other crucial supplies? Police and fire will be overwhelmed, and neighbors may have to rely on neighbors for assistance. Let's all work together to Get Ready and survive the next big earthquake or other disaster.

In a Get Ready class, you will learn how to prepare kits for your home, car, and workplace, make good communication and evacuation plans for your family, how and when to turn off your utilities, and how to prepare your home for fire, earthquake, power outage, and winter storms.

## Spring 2023 Class Schedule

Friday, May 12, 10:00 a.m. - 12:00 p.m.  
Wednesday, May 31, 3:00 p.m. - 5:00 p.m.

All classes will be at the Tiburon Police Station. Call Laurie at (415) 789-2805 to sign up for a class.

## Welcome Officer Bianca Wilmott!

Last week, Chief Jean administered the oath of office to Tiburon's newest Police Officer: Officer Bianca Wilmott!

You may already be familiar with Officer Wilmott from her time spent with Tiburon Police as a police service aide and parking enforcement officer.

Please join us in congratulating and welcoming Officer Wilmott!
