Storm Drain Repair on Tiburon Boulevard Continues Next Week

Caltrans is scheduled to continue repairs on Tiburon Boulevard at Stewart Drive next week. The work will resume Monday 2/12 and is expected to take approximately two and a half weeks, weather permitting.

The work will take place from 7:00 a.m. to 6:00 p.m. each day.

Caltrans intends to primarily use a lane shift where both directions of Tiburon Boulevard remain open. However, intermittent one way traffic control with flaggers may be needed between 9:00 a.m. and 3:00 p.m. for workers to safely finish the work.

Drivers should expect some delays in the area. Please drive cautiously and obey flaggers and message signs in the area. Thank you for your patience.
