Tiburon Boulevard & Stewart Drive Storm Drain Replacement Update

On the evening of Tuesday, March 26, 2024, a contractor working for Caltrans will perform final pavement restoration work in the area of Tiburon Boulevard and Stewart Drive.

Crews will start work on site around 6:00 p.m. with a lane closure and alternating one-way traffic control in effect starting around 8:00 p.m. Work will be performed through the overnight hours, ending on Wednesday morning around 6:00 a.m.

During the week of April 1, the project area will be restriped during the overnight hours. It is expected that the crosswalk will officially reopen in early April.

Please continue to obey the instructions of all traffic control personnel and use caution when traveling through the area. Thank you for your patience.
