An Update from the Tiburon Police Department

Missing 12-year old, Emerald Walker, has been found by Tiburon PD and is safe.

After extensive investigation by Tiburon PD, the Sacramento County Sheriff's Office conducted a welfare check at an address in Sacramento where we believed Emerald to be present.

Emerald was located at the address and is safe.

Tiburon Police Officers responded to Sacramento and brought Emerald back to Marin County. Our investigation determined Emerald was not the victim of a crime, left her home voluntarily, and traveled to the address in Sacramento on her own free will.

We would like to thank our law enforcement partners and community members for their diligent work and genuine support that brought this evening to a happy end.
