## An Update from the Tiburon Police Department

We want to update the community in the effort to locate 12-year-old Emerald Walker. The Tiburon Police Department is working on several leads related to Emerald's whereabouts. We have obtained information that indicates she is not in Tiburon (or Marin County) and is in contact with some of her peers.

There is no indication at this time that Emerald is in danger, but until she is safely back with her family, our efforts to locate her will be undiminished. The Tiburon Police Department has assigned extra officers for the search and to investigate leads. We encourage anyone who might be in contact with Emerald to reach out to our agency at (415)789-2801.
