Tiburon Goes Green

New Waste Bins in Front of Town Hall

Discover Tiburon's newest addition in front of Town Hall! These new waste bins are equipped with

receptacles for recycling, trash, and compost, designed to divert waste from landfills.

Inspired by the successful downtown installations, these bins exemplify the Town's commitment to lowering greenhouse gas emissions while maintaining the allure of our public spaces. Stay tuned for more installations at Zelinsky Park and McKegney Green, as we continue our mission to enhance sustainability across Tiburon.

Take some time this weekend to check out the Mill Valley Refuse Service "What Goes Where?" tool to learn more about how to sort your waste.

Get Ready 94920: Disaster Preparedness Tip of the Month

Have an emergency contact at least 200 miles away that family members can check in with. While local phone lines may be busy, it may be possible to call someone outside of the area and use them to relay information to your loved ones.
