The contractor, JV Lucas Inc., will begin paving on 7/29, but contractors will likely be on site for pre-construction activity beginning 7/24.

The contractor will provide more information to the impacted residents 10 days prior to the start of work on the street segments, including work hours, parking information, and any street closures. If you live on or near one of these street segments, keep an eye out for communications from the contractor.

As always, please drive safely through the work areas as construction and maintenance activities close to the road can be distracting.

## Chipper Day: Saturday, August 10

Chipper Days are Back this Summer! The next Chipper Day of the season is **Saturday, August 10 at Blackie's Pasture from 9:00 a.m. to 4:00 p.m.**

Residents of the Tiburon Peninsula may drive their vegetation cuttings and "slash" to the dirt parking lot at Blackie's Pasture to be piled for chipper removal by the Tiburon Peninsula Fire Protection District & Tiburon Public Works.

In an effort to meet the Marin County Community Wildfire Preparedness Plan's goal to remove overgrowth and create Defensible Space for residents of the Peninsula, these events serve to continue to make our area better protected against wildfire. The season for vegetation management is already here and dry conditions are expected for the rest of the year. Get ahead of it this year and be proactive for you, your neighbors, and your community!

Chipper Days are always the second Saturday of the month from May through September. The remaining 2024 schedule is as follows:

**Saturday, August 10, 2024 - 9:00 a.m. to 4:00 p.m.**  
**Saturday, September 14, 2024 - 9:00 a.m. to 4:00 p.m.**

We would like to recognize Officer Bianca Wilmott on her recent achievement in being awarded the MADD "Rookie of the Year" award.

Officer Wilmott was recognized by MADD for her exceptional efforts in preventing impaired driving. Last year, she led the Tiburon Police Department in DUI-related arrests.

As part of her recognition, Officer Wilmott received a plaque and the prestigious '23152' pin, denoting the Vehicle Code for impaired driving in California.
