Tons of Vegetation Hauled Away at Chipper Days This Year!

The Tiburon Fire Protection District and Tiburon Department of Public Works would like to thank all those that participated in Chipper Days at Blackie's Pasture this year.

Over the course of five Chipper Days this summer, residents brought record amounts of vegetation cuttings and "slash" for recycling. Tiburon Fire reports that Saturday's Chipper Day was the largest to date, with overflowing boxes by 2:30 p.m. and more coming in through the end of the day!

Your efforts will help you and your neighbors create defensible space to make our whole community better protected against wildfire.

Election Sign Regulations

The November 5, 2024 General Election is approaching. With many races on the ballot, including a local race, the Town would like to remind residents

about [election sign regulations](#).

In residential zones, each dwelling unit may display a total of eight (8) square feet and illumination is not permitted.

Beginning 45 days before the election, and ending 5 days after the election, the total display area of election signs may be increased to sixteen (16) square feet. Illumination is still not permitted.

Election signs on private property may be displayed only with the consent of the property owner. Election signs on public property will be removed, stored at the Corporation Yard, and then destroyed after November 5.

Town of Tiburon Awarded for Sustainability Efforts

Tiburon has been recognized by the [Institute of Local Government](#) and will be receiving three [Beacon Spotlight Awards](#) for voluntary actions to undertake climate and sustainability programming. The awards are for Community Greenhouse Gas Reductions, Agency Energy Savings, and Sustainability Best Practices.

By receiving these awards, the Town will have the opportunity to showcase achievements to a statewide audience and will be connected to a network of additional opportunities to support our climate action goals.

To learn more about how to take action and reduce your carbon footprint, check out the [Town's website](#).

TIBURON TOWN COUNCIL

OPEN TO THE PUBLIC

A WORD FROM THE TIBURON POLICE DEPARTMENT

We've seen a rise in thefts from unlocked vehicles and even cars being stolen right from in front of residences—many left unlocked with keys inside. Don't make it easy for thieves!

- ✓ Lock your vehicles
- ✓ Remove your valuables
- ✓ Take your keys with you

Let's all do our part to keep each other safe! Follow [Tiburon Police on Instagram](#) for more community updates and safety tips.

MONTHLY STATS FOR AUGUST 2024

SEPTEMBER IS PREPAREDNESS MONTH!

Are you ready for a disaster? Tiburon Police has implemented an program to educate residents on how to protect themselves and their families against all types of disasters - and how to **Get Ready!** In the case of earthquake, fire, storms, and power outages, make sure you and your family know what to do:

Sign up for Alert Marin to receive emergency communications from your local first responders. It only takes 2 minutes and you'll only receive relevant and timely communications. [Sign up or confirm your information here.](#)

Visit the [Get Ready 94920](#) page on the Town's website for tips on how you can Get Ready or call Laurie at Tiburon Police to schedule a free, in-person Get Ready class for your neighborhood or group of friends.

Mark your calendar for **Get Ready to Go 94920**, a free disaster preparedness fair, at Zelinsky Park on Saturday, October 19! Representatives from local agencies will be on hand for education and information, as well as fun for the whole family with a bounce house, face painting, and more!

Disaster Preparedness Tip of the Month

Have an emergency contact at least 200 miles away that family members can check in with. While local phone lines may be busy, it may be possible to call someone outside of the area and use them to relay information to your loved ones.
