NEWS FROM MARIN HUMANE

Keep Your Dog's Paw on the Right Side of the Law! Did you know that rabies vaccinations and dog licenses are mandatory in Marin County? In fact, dog licenses are mandatory in nearly every community across North America. Why? Because licenses help keep pets and the communities they live in safe.

Marin Humane has launched a new, easy-to-use platform, which offers residents an effective pet identification and reunification program that keeps pets out of shelters and returns them home safely.

Marin County licensing tags are assigned a unique code which links to a pet's secure online profile, making it easy for anyone who finds a lost pet to reference the code and create a Found Pet Report in seconds. Pet owners can also create Lost Pet Reports as soon as

they realize their pet has gone missing. Dedicated dispatch staff are available 24/7 to reunite lost pets with their families.

Residents can visit marinhumane.org/dog-licensing to buy a new license or renew an existing one. Discounts are available for owners whose pets are spayed or neutered, as well as owners who are senior (62+) or disabled.

100% of licensing revenue goes towards animal services in Marin.
