## Heavy Rainfall Expected This Week - Are You Ready?

Heavy rainfall is expected this week, beginning Wednesday, with expectations that the North Bay will be heavily impacted with potential flooding, power outages, and other storm-related challenges. To prepare, consider the following:

**Flood.** If you are in an area likely to flood, use sandbags. The Department of Public Works has set up two sandbag stations for your use. **Sand and sandbags are available at the Blackie's Pasture and Teather Park parking lots.** Please help yourself. A guide on how to properly stack sandbags is available on the [GetReady storm site](#). If you are aware of drainage failure and significant flooding, contact the Tiburon Police Department at (415) 789-2801 and TPD will notify the

appropriate response personnel.

**Erosion control.** Construction sites are required to implement erosion control and winterization of sites during the rainy season (October 15 through May 1). Learn how to winterize your site [here](#).

**Wind.** Heavy winds will cause patio furniture and other loose items to blow around and potentially break sliding glass doors and windows. Secure all patio furniture, boats, and other items in your yard.

**Fallen trees.** Report fallen trees to the Tiburon Police Department at (415) 789-2801.

**Landslide.** Inspect your property for land movement, retaining wall failure or drainage ditch and downspout issues. Clean out ditches, drains, and gutters for proper water flow away from your structure. Know multiple escape routes from your home and yard and evacuate your property if you discover earth movement or landslide.

**Power outage or downed power lines.** Power outages should be reported to PG&E at (800)743-5002 or [online](#). Downed power lines should be reported to PG&E and 911.

**Generator Use.** If you intend to incorporate a large capacity power source into your preparedness toolkit to provide backup power for a medical device or refrigerator, keep in mind that permanent generator installation may require additional permitting. Contact the Tiburon Building Division at (415) 435-7380 for more information.

**Driver safety.** Use extra caution and keep your headlights on. Obey the speed limit and follow other traffic signals or detours from a safe distance.

## Transportation & Infrastructure Study (aka Traffic Study) Community Workshop - December 3, 2024

Earlier this year, the Town Council authorized a consultant to conduct a thorough transportation & infrastructure study along State Route 131 (Tiburon Boulevard). The intention of the study is to create a comprehensive "roadmap" for the Town to consider changes to the existing transportation network and infrastructure.

The consultant, Parametrix Inc., began work this summer and presented their first report to the Town Council on November 6. ([Video](#)) ([Presentation](#))

**Parametrix will host an in-person community workshop** with the project team on December 3, 2024 from 6:00 - 8:00 p.m. at Town Hall. The workshop will have stations on the overall traffic study area, congestion & delays, existing trip characteristics, safety, and Caltrans.

All are welcome!

## 2025 Banner Reservations Open December 1

The Town has three locations to hang banners to advertise community events and activities: Blackie's Pasture, the Cove Shopping Center, and downtown Tiburon, in front of Town Hall. The demand for these spots is high, so we will be processing applications for 2025 banner reservations on a first come, first served basis. [You can apply online here](#). For questions regarding the Town's banner program, please contact Marissa Miller at [mmiller@townoftiburon.org](mailto:mmiller@townoftiburon.org) or call (415) 435-7373 or [click here to learn more about our banner program](#).

## Be Safe and Smart This Thanksgiving!

**Plumbing Clogs:** Pouring cooking fats, oil, or grease down the drain can clog your plumbing, create blockages in the sewers, and enter our waterways. Be kitchen sink smart to prevent plumbing and sewer disasters!

**Kitchen Fires:**

Cooking is the leading cause of home fires and injuries in the United States, and Thanksgiving is the peak day for cooking fires. Keep your cooking area free of towels, utensils, packaging, and anything flammable. If a kitchen fire does start:

- On the stovetop, smother the flames by sliding a lid over the pan and turning off the burner. Leave the pan covered until it is completely cooled.
- For an oven fire, turn off the heat and keep the door closed.
- When in doubt, call 911

**Fried Turkey Safety:**

- Turkey fryers can tip over easily, make sure your fryer is on a sturdy, level surface.
- Make sure your fryer is at least 10 feet away from your home and not under the eaves.
- Ensure your turkey is fully thawed before frying. Even a partially frozen turkey will cause oil to splatter and cause injuries or fire.
- Use a thermostat to ensure your oil does not overheat, and wear protective gloves and eyewear when handling the fryer.

# Town Hall Holiday Schedule | November & December

Tiburon Town Hall will be closed for the Thanksgiving Holiday on **Thursday, November 28 and Friday, November 29, 2024**. No construction work is permitted on Thanksgiving Day.

Additionally, Town Hall will be closed for the winter holidays beginning **Tuesday, December 24, 2024** and will resume regular working hours on **Monday, January 6, 2024**. The Tiburon Police Department will be operating normally.

Construction is **not permitted** on Sundays and the following holidays:

Thanksgiving Day • Christmas Day • New Year's Day • President's Day  
Martin Luther King, Jr. Day • Memorial Day • Independence Day • Labor Day

Quiet work is permitted Saturdays from 9:30 a.m. to 4:00 p.m. Project-related noise shall not be audible beyond the property line.

## News from the Tiburon Police Department

### Office of Traffic Safety Awards \$60,000 Grant for Traffic Enforcement Program to Increase Safety on Roads

The Tiburon Police Department has received a grant from the California Office of Traffic Safety (OTS) to support its ongoing enforcement and education programs to help reduce the number of serious injuries and deaths on our roads. The grant program runs through September 2025.

"We are grateful to receive this grant, which will strengthen our traffic enforcement efforts and improve road safety," Tiburon Police Captain Jarrod Yee said. "By increasing enforcement of traffic laws and focusing on high-risk areas, we aim to reduce dangerous driving behaviors, prevent crashes, and make our roads safer for everyone." [Read more](#)
