A Word from the Mayor

Hello Everyone:

I know I saw many of you at Tiburon's Native American Arts and Culture event on Sunday. Tiburon has a rich cultural heritage and we honored part of that yesterday with a descendant of the Coast Miwok, Dean Hoaglin, as well as other storytellers, dancers, and culture bearers - including Tiburon resident Eddie Madril, who brought dancers from Sewam Dance, his internationally renowned dance troupe. This event was sponsored by the Heritage and Arts Commission and the Diversity Inclusion Task Force, with help from the Tiburon Peninsula Foundation. A huge thanks to Arjun Gupta, Nora Noguez, Victoria Fong, and the rest of the Heritage & Arts Commission for a great event.

I want to make sure you mark your calendars for our next Friday Night on Main, this Friday, August 22, 2025. Please come downtown a little early and shop local for all your back to school needs, and take the family out to dinner. Our local businesses welcome you and your family this Friday and every day.

I hope to see you all soon!

School Starts This Week - Walk, Bike, Drive Smart!

As back-to-school season begins this week, bikes, pedestrians, and school buses are back on the roads. This means drivers need to stay alert, informed, and aware of the increased traffic.

Below is a refresher of the California school bus rules to keep in mind:

All traffic must stop when a school bus stops on roads with no raised dividers (even when bus is at the curb). Drivers are required to stop when a school bus displays its flashing red lights and extends its stop signal arm. This applies to vehicles traveling in both directions.

Cars can pass the school bus after the stop sign is no longer out, the bus has begun driving, or the bus driver signals you can pass.

The Eyes Up, Marin campaign is part of the Street Smarts Program and Safe Routes to Schools, locally funded programs of the Transportation Authority of Marin. This traffic safety campaign educates drivers, pedestrians and cyclists about safety issues, including distracted driving. The goal is to encourage people to adopt and practice attitudes and behaviors that will reduce the number of traffic-related accidents and make our streets safer for everyone.

Heads Up: Beware of Courier Scams

Tiburon Police are warning residents about a prolific scam targeting our community. Suspects use pop-ups, fake emails, phone calls, and intimidation to trick victims into withdrawing cash and handing it to a so-called "courier."

Common tactics include:

- ⚠ Pop-ups claiming your computer is hacked and urging you to call "tech support."
- ⚠ Fake purchase alerts asking you to call back.
- ⚠ Overpayment/refund scams through PayPal.
- ⚠ Calls posing as a friend/family member needing cash.
- ⚠ Threats that your money is "involved in crime" and

must be "secured" by suspects.

These criminals use aggressive manipulation, spoofed phone numbers, and demand victims stay on the phone or FaceTime while withdrawing and delivering cash.

What to do:

Ignore pop-ups and suspicious emails.

Never call phone numbers provided in these messages or click any links.

Talk to family members who may be vulnerable to scams.

Report suspicious contact to TPD immediately.

Stay alert. Protect yourself. Spread the word.
