### **CALTRANS UPCOMING PAVING IN DOWNTOWN - STARTING AUGUST 22ND**

As reported in our last issue of Tiburon Talk, Caltrans will be embarking on a much appreciated project to repave Tiburon Blvd (State Route 131) from Mar West St. to Main St. The \$1.15M project is estimated to start on August 22nd. The project will consist of some day shifts, such as concrete work and traffic signal upgrades at the Beach Road intersection. However, the bulk of the grinding and paving work will be in the evenings from 7 PM to 6 AM with noisy operations restricted between 7:00 PM and 11:00 PM. The work week will start on Sunday evening and end Friday morning. The approximate completion date is September 30th barring any major incidents or inclement weather. The roadway should be passable at all times in both directions during this work.

Caltrans will place an electronic message sign near Mar West St. to inform inbound traffic of the upcoming project 2 weeks prior to the start. Flyers to businesses and residences near the project limits will be handed out one to two weeks prior to construction. Please call Christopher Blunk of Caltrans at 415-257-4844 if you have any questions.
