

CANDIDATE STATEMENT

TIBURON TOWN COUNCIL ELECTIONS NOVEMBER 6, 2018

Alice Fredericks

Occupation: Councilmember

Experience and Qualifications: Although I have a Ph.D. in Behavioral Medicine, am an inactive member of the State Bar of California, have worked as a UCSF research psychologist, my most relevant experience is the years I have spent working with our community members, a productive collegial town council and regional and state agencies and policy groups. I serve on town council committees, am vice chair of the Finance Committee of the Golden Gate Bridge, Highway and Transportation District, chair of the Legislative Committee of the Marin County Council of Mayors & Councilmembers and long-time commissioner and prior chair of the Transportation Authority of Marin.

I will continue to pursue preservation of open space, track down sustainable funding for safe school related, commute, and senior travel, efficiently provide needed services to our community, identify our town assets vulnerable to bay rise to position us for funded solutions, push back firmly against state legislation that undermines our control of the destiny of our town. I would appreciate the privilege of continuing to serve this community to preserve what we love and facilitate any needed change.
