

Holli Thier
Town Council

Holli Thier is very proud to have served the residents of the Town of Tiburon since 2017. Holli was first appointed to the Tiburon Town Council in July 2017, and subsequently won the election, finishing as top vote-getter, in November 2017. Prior to serving on the Tiburon Town Council, Holli spent three years on the Tiburon Parks, Open Space and Trails Commission. She is most proud of her accomplishments in working with the community to create a plan to make Tiburon safer for bicyclists, pedestrians and automobiles.

Holli is a businesswoman and attorney, and currently serves on the Tiburon Peninsula Traffic Relief Joint Powers Agency and on Tiburon ad hoc subcommittees for Downtown Revitalization, Paths and Open Space Access, and Use of Technology. She served as a PTA volunteer, on the Reed Union School District (RUSD) Student Site Council, on the RUSD Superintendent's Facility Task Force, Foundation for Reed Schools Auction Co-Chair and Board member. Holli is past President of the League of Women Voters.

Holli loves her two wonderful children, Benji and Jaque. When they are not travelling, or attending the theater, ballet, or opera, they love to ski, swim, hike, and recently all tried to snowboard. Holli graduated from Hastings College of Law (J.D.) and the University of California Davis with two B.A.'s. Holli is often heard saying how lucky she is to represent such a wonderful community.
