

Routes & Stops

This year, we are running 12 morning routes and 12 afternoon routes to RUSD campuses and one morning and afternoon route to Larkspur-Corte Madera's Cove School. All routes are campus-specific so that students ride with children of similar age.

Click on the links below to view available routes, stops and bus timetables for each school. The JPA may, at its sole discretion, amend routes and stops both before the school year starts and during the school year. The JPA will make every effort to communicate changes to families in a timely manner.
