

I'd be honored to have your vote to continue my work as Tiburon Councilmember.

Elected in March of 2020, I worked to steer the Town through the COVID crisis. Emerging from the pandemic, I am excited to tackle the substantial issues that will impact our town.

Specifically, I will continue my efforts to improve the quality of life for residents by supporting family-friendly initiatives and protecting open space. Most importantly, I will ensure that State mandates are implemented in a way that best preserves Tiburon's character.

My family has been fortunate to call Tiburon home for twelve years. My community work includes: Yellow Bus Challenge; Neighborhood utility undergrounding; President, Belvedere Tennis Club ; Coach, youth lacrosse and volleyball. As Vice Mayor, I am on the Budget Committee, the RBRA Board, DEI Task Force, and TPTR JPA focusing on traffic relief.

You can be confident that I am equal parts thorough, effective, and respectful, and that I communicate effusively to ensure community engagement.

Before retiring, I was Head of Equity and Commodity Derivatives Trading at Wells Fargo. I graduated from MIT with a degree in aeronautical engineering.
