Community pool is a great idea!

Cars here? Which means cars along the whole lineal park? Beel idea. Please put user requiring pick-up and drop off near existing roads.

Amphitheater would be better located by parking at Blackie's

Can you build Pick-up/Drop off at Tib Blvd some pool/gym? yes!

There being an existing restroom at the other side of South of Knoll park, why add one here, as opposed to near McKegney?

Nature play is AWESOME

A bathroom here as opposed to a larger one at the base of the hill (where one already exists) would be out in the open and as visible.

Inclusive Playground!
Yes!

Like event space + amphitheater + all inclusive playground

Your comment here

Parcourse is a great idea! Used to exist, sort of, and more in keeping with the space

Pickleball near houses is bad idea. See your thought about many the controversial tennis courts from Terrell Park

please don't add pickleball to an area that doesn't have courts or any use already

Refer to 2, but the location of amphitheater here is not 3

I like the concept the most of the three, with the exception of the pickleball court placement

Add a **playground** and **restrooms** at Shoreline Park near the ferry terminal.

DO YOU HAVE OTHER IDEAS?

Permanently close main street to cars!
Santa Monica can do it, so can we!

Your comment here

Create a **public path** along Railroad Marsh between Zelinsky Park and Teather Park.

Create **green pedestrian paseos** linking Ark Row, Juanita Lane, Tiburon Boulevard, and Teather Park.

Create a **path and rain gardens** along Beach Road, **connecting** from the Bay to the foot of the hills.
