ARTIST APPLICATION FOR EXHIBITION AT TIBURON TOWN HALL

The Tiburon Heritage & Arts Commission invites local artists and collectives from the Tiburon Peninsula and Southern Marin to apply for our upcoming exhibition series. We're proud to showcase the vibrant artistic talent of our community in the elegant gallery spaces of Tiburon's Town Hall. With exhibitions rotating every two months throughout the year, this is your opportunity to become part of Tiburon's thriving arts scene in one of our most distinguished public venues.

APPLICATION REQUIREMENTS:

- Artists must submit samples of their work through website links, digital images, or by bringing actual artwork to a scheduled meeting with the Commission (please note that the Heritage & Arts Commission assumes no liability for artwork during these meetings).
- Only 2-D art that is properly framed or edge-finished with hanging wire affixed to the back will be considered.
- Artists must receive final confirmation from the Tiburon Heritage & Arts Commission before making any public announcements related to their exhibit.
- Artists are expected to self-promote their shows and opening reception.
- Upon confirmation, a Policy & Procedures document along with an Artist Waiver will be provided to the selected artist(s).
- A 25% charitable donation to the Tiburon Heritage & Arts Commission applies to all sales of artwork displayed during the exhibition period.
