FAIR HOUSING/ANTI-DISPLACEMENT

Discrimination in housing is against the law and no person shall be discriminated against in the sale, rental or advertising of residential dwellings, in the provision of brokerage and lending services, or in the availability of any residential real estate transaction based on race, color, religion, sex, handicap, familial status and national origin, sexual orientation, marital status, ancestry, source of income, disability, medical condition or age.

Fair Housing laws are federal and state laws that protect Tiburon residents from discriminatory housing practices. These laws may be violated if you are treated differently than other tenants or prospective tenants because of one or more of your class attributes.

[Fair Housing Advocates of Northern California](#) (FHANC) provides free housing discrimination counseling services, intervention and complaint investigation to clients of all protected classes, including immigrants, people with disabilities, seniors, families with children, and other clients protected under fair housing law. Services include fair housing training for housing providers, tenants, and staff of social service agencies. FHANC sponsors a variety of programs to educate the community at large about fair housing issues. FHANC also offers information to housing providers about affirmative marketing.
