A Word from the Town Manager

September 7, 2017

Dear Tiburon Residents,

What comes to mind when you hear the words Richardson Bay Lineal Park? … kind of boring, right?

But how about the words Blackie's Pasture, McKegney Green, South Knoll Park and Playground, or the Old Rail Trail? Now I have your interest, because if you live on the Tiburon Peninsula, it is likely that one or all of these places holds a special place in your heart. Collectively, these individual places make up the Richardson Bay Lineal Park, and the creation of this park was no accident.

From 1971 through 1983, successive Tiburon Town Councils, with overwhelming support from the Town's residents, worked tirelessly to negotiate the acquisition of the 36 individual parcels of land that now compromise this amazing park. Over the ensuing years, numerous improvements have been made to encourage both residents and visitors to use this incredible community resource.

Well, these efforts have certainly worked! On any day of the week, if you are at Blackie's Pasture, or at the end of the Old Rail Trail near Mar West, or anywhere in between, you will be sharing the park with walkers, runners, baby strollers, kids, bikers, skateboarders, roller bladers, scooters and others. With all of this activity occurring simultaneously, the potential for conflicts between users, or accidents, is very real. We can, however, avoid conflicts and accidents by respecting the rules governing the park's use, and using common sense. The following are some of the key regulations (and some suggestions) that govern the use of the park depending on the activity you are engaged in:
Dogwalkers

- Dogs must be on a short leash when on: the entire length of the Old Rail Trail, McKegney Green and South Knoll Park and Playground.
- In the limited areas where a leash is not required, dogs must be under voice control of their owners at all times.
- Please clean up after your pet. Dog waste bags and trash bins are provided in numerous locations in the park. It is not okay to pick up after your pet and leave the bag sitting on the ground.
- For a more complete list of the regulations regarding dogs, [click here](#).

Bicyclists

- Bicycling (including most common electric bikes), roller skating, roller blading and skateboards are all allowed on the Old Rail Trail, and are considered vehicles in the Town Municipal Code.
- All vehicles must yield to pedestrians at all times.
- There is a 15 mph speed limit for vehicles on the Old Rail Trail, which is reduced to 8 mph when pedestrians are present.
- No more than 2 riders are allowed to ride side by side.
- A ring of the bell, or polite ‘on your left’ when passing others is much appreciated.
- For a more complete list of the regulations regarding wheeled vehicle use on the Old Rail Trail, [click here](#).

Walkers and Runners

Although there are no specific regulations related to walking and running in the Richardson Bay Lineal Park, here are some common sense suggestions on how to interact with other park users.

- If walking in a group, stay to the right and do not block the entire paved path.
- Be aware of your surroundings, and remember to look around before turning around, crossing the path, or changing direction.
- If you are wearing headphones, be extra careful!

I am sure I have missed a few tips, and know that many of you probably have great additional suggestions. We would love to hear them, so feel free to share your ideas with us by replying to this email.

Finally, next time you are out enjoying the Richardson Bay Lineal Park, reflect for a moment on all of the past efforts required to make it happen, and know that by working together, we can ensure this amazing place will be enjoyed by future generations for years to come.

Sincerely,
Greg Chanis
Town Manager

NEWS BRIEFS
The terrible destruction and loss of life suffered in Texas and along the Gulf Coast recently is another reminder of how important it is to be prepared! Don't wait until it is too late to prepare your home and yourselves.

**Do you know...**

- your communication plan so you can communicate with your loved ones when telephone service is not operational?
- where to meet up with them if you are not together when emergency strikes? What if you are at work and the kids are in school?
- how to reunite with them safely?
- how to prepare to shelter in place at home?
- what resources are available on the Peninsula?
- how to tune into SNAP Radio (840am) for local information?
- we have a designated first aid station (if needed)?

If you would like to learn how to better prepare, please sign up for one of the following free Get Ready disaster preparedness classes. All classes will be held at the Tiburon Police Station.

**Are you interested in serving on the local Design Review Board?**

The Design Review Board reviews and acts on applications for Site Plan and Architectural Review, which can include plans for new residential and commercial buildings, remodels, additions, accessory buildings, swimming pools, fences, decks, and other structures. This review includes both the site layout and architectural design characteristics of a proposal. Decisions of the Board are final, unless appealed to the Town Council.
Qualified applicants should be residents of the Town of Tiburon and have an interest and time available to help promote the general welfare and aesthetics of the community through proper regulation of site planning and architectural design. Formal training, experience and familiarity with architecture, design and/or landscape architecture are preferred but not required.

This vacancy is the result of an unscheduled resignation from the Board, and the individual appointed will serve the remainder of the existing term, until 2020.

Interested applicants are invited to submit an application and resume to Tiburon Town Clerk Lea Stefani at Tiburon Town Hall or via email at lstefani@townoftiburon.org.

The deadline for applications is September 28, 2017.

Reasons We Love Tiburon: Hanging Flower Baskets!

While the weather this past weekend might suggest otherwise, the summer season is quickly coming to a close, and with that, the beautiful hanging flower baskets lining Tiburon Boulevard will soon retire for the season. Come downtown and catch a glimpse!

Thank you to Paula Little for all of your hard work and your contribution to making Tiburon more beautiful!

21st Annual Historic Preservation Award

The Heritage & Arts Commission is honored to present the 21st Annual Historic Preservation Award to Jim Wood.

The intent of the award is to recognize excellence in safeguarding yesterday's treasures for the Tiburon Peninsula residents of today and tomorrow, and promote public awareness in historic preservation. Jim Wood has displayed his commitment to the Town throughout his residency, through hands-on preservation of the unique landscape of the peninsula, historical essays, bringing the history of Tiburon to a wider Marin audience, and currently through the "Trestle Trail" project, highlighting Tiburon's railroad presence.
Please join us in honoring Jim Wood at a community reception at Tiburon Town Hall on Tuesday, September 19 at 6:30 p.m.!

**Welcome to Run 4 Reed Schools 2017!**

Last year's race was a great success with more than 780 children, parents and teachers from the Reed School District participating. This year, we are excited to once again host 1 mile and 5k races, but in a new downtown location with an evening celebration on Main Street following. All finishers will receive a t-shirt and medal. Trophies will be awarded to the top male and female finishers for...
Proceeds from the race go to our school and classrooms to fund numerous programs, support district-wide improvement projects, and provide teachers with much-needed supplies and equipment that they otherwise might not receive. We invite you to sign up for one of our races as well as consider our Family Sponsorship option which includes delivery of race numbers to your home before the event, as well as our sponsor-only hats!

The Landmarks Society Brings You A Blast from the Tiburon Past . . .

The Landmarks Society fall fundraising event is celebrating Tiburon Tommie’s Mai Tai Restaurant on Saturday, October 7!

A Main Street icon for many years, Tiburon Tommie's was owned by Tommie Cox, the affable bartender, and Johnny Won, the creative and hard-working chef. It was a famous and fun spot for locals for 37 years (1958-1995)!

The Landmarks Society will be recreating the popular Polynesian restaurant and Tiki Bar with artifacts collected by the Caseres family from the restaurant prior to demolition.

From the waterfall under the stairs to the dining room with authentic Maori and Polynesian decorations ... the poopoo platter and tropical drink menu ... Tiburon Tommie's was a family favorite. Come and meet old friends to celebrate our past. Join us to get a taste of our local history and to support the Belvedere-Tiburon Landmarks Society. Funds raised will go toward restoration of the Art & Garden Center.

Travel back in time with us to a sweet local memory and even better cocktails on Saturday, October 7, 2017.

To make reservations, please contact the Landmarks office via email at lmsoffice@sbcglobal.net or call Michelyn at (415)435-1853.
