A Word from Mayor Holli Thier

Tiburon is coming alive! As Tiburon reopens, I want to thank everyone for following the public health guidelines and ensuring the safety of our families and neighbors. As your Mayor, I could not be prouder of how you, our residents, worked together to keep each other safe.

A few weekends ago, I attended the fabulous Juneteenth celebration. As I walked down Main Street and also visited the shops on Ark Row, I remembered that a lot of our businesses had to close and suffered greatly during the pandemic.

I want to ask you this summer to buy local. The next time you are going to dinner, please dine in Tiburon. The next time you need to buy something, please shop in Tiburon. And the next time your family flies into Town, have them stay at one of our lovely hotels. The best way to support our local businesses is to become regular customers. So, this summer join me and shop local.

I look forward to a summer of new beginnings as we celebrate reopening together.

Mayor Holli P. Thier, J.D.

Drought and Fireworks Don't Mix

We're all excited to make up for lost time in celebrating Independence Day this year, but please remember to do so with safety in mind.

Not only are fireworks illegal in Marin County, but the dry conditions this year make even the smallest fireworks a wildfire risk. A gently floating ember touching down on Marin's parched landscape could result in widespread tragedy. Marin's fireworks ordinance will be strongly enforced this holiday weekend to reduce fire risk, protect natural resources, and most importantly, to preserve personal safety.

In addition to being proactive this weekend, now is a great time to start getting your property ready for wildfire season. All residents can bring vegetation cuttings from their properties to Blackie's Pasture for courtesy disposal. The next Chipper Day is Saturday, July 10 between 9 A.M. and 4 P.M. Slow Streets is Back!

Tiburon Slow Streets is back this summer. On weekends until the end of July, Main Street will be closed to vehicular traffic to allow restaurants and vendors to expand their services into the sidewalk and roadway for comfortable pedestrian walking, dining, shopping, and eating.

Consider bringing your family downtown this weekend to support local businesses on Main Street and Ark Row or to have a lovely al fresco meal. Head down on Friday nights, Saturday afternoons, or during Sunday brunch to enjoy live music curated by the Chamber of Commerce. [Check out the live music calendar here.](#)

Nearby drivers are encouraged to drive slowly and safely, and to expect to see pedestrians and bikers along the streets.
