

Application – Public Art Selection Panel

Overview

In August of 2019 the Town of Tiburon adopted a Public Art Program submitted by the Artist Laureate, Richard Rozen, in collaboration with the Heritage and Arts Commission (H&A). The policy states that H&A may form a volunteer standing committee: Public Art Selection Panel (PASP) to recommend artists and/or review proposals for public art projects. The Commission will make a formal recommendation to the Town Council for a final decision on any public art project.

The H&A Commission now has such an opportunity to form a standing committee (PASP) to evaluate, review and determine proposed and potential public art projects. Volunteer time would include, but not be limited to, meetings (anticipated at two meetings per month) and any Selection Panel work as needed, such as informational research and site visits.
